

MEGA MEDICAL AND EYE CAMP AT MAMBRUI SPONSORED BY MAMBRUI WELFARE GROUP

On 21st November 2014, Mambui Welfare Group along with Nasserpuria Memon Jamat and in conjunction with Mombasa Eye Hospital & Laser Centre had a very successful Mega medical & eye camp. Total number of patients screened were 649 for General medical, dental and eye treatment whereby 249 patients were diagnosed for eye ailments. Total number of reading glasses dispensed were 150, medicines were given to 217 patients at no cost. 40 patients were identified for cataract and other different eye surgeries. People came all the way from Garsen, Tana River, Malindi, Watamu, Tanzania and surrounding areas.

On 22nd November, all the patients were brought to Tawfiq Hospital in Malindi and successfully operated. On the same day patients were sent home after the bandage was removed and post-operative medicines and sunglasses were dispensed.

3 children were identified for cataract out of which 2 had cataract in both eyes and the other one had a cataract in 1 eye, were referred to the hospital for the surgery on 28th November 2014 who came all the way from Mandera and Hola for eye treatment.

This activity was kindly sponsored by Mambui Welfare Group in conjunction with Nasserpuria Memon Jamat. The people of Mambui village really appreciated the kind gesture shown by the sponsors towards the success of this whole medical and eye camp. Mr. Ghalib (Chairman MWG) along with his team really worked hard towards the success of this activity.
